Powered by the same 78-horsepower engine as the Scout Sixty, the Scout Bobber Sixty's light weight, nimble handling, and low center of gravity will appeal to all riders seeking

mean, old school styling at a competitive price point.

"Bringing a stripped down, old-school Bobber priced at \$8,999 is something we're very excited about. We're proud to provide such a dynamic offering at a price point that makes owning an Indian motorcycle extremely attainable to

an even wider range of riders,” said Reid Wilson, Vice President of Indian Motorcycle.
