"Polaris is thrilled to continue supporting the efforts of local organizations and clubs through our T.R.A.I.L.S. Grant Program," said Steve Menneto, president of Off-Road at Polaris. "These organizations are comprised of passionate volunteers and riders who love to ride and serve as the heart of the off-roading community. These grants will help create a safe and enjoyable experience for all those looking to get outside and ride."

The Spring 2022 T.R.A.I.L.S. Grant recipients are:

- Baraboo Bluffs ATV/UTV Club (Baraboo, Wis.)
- Caribou Parks and Recreation Department (Caribou, Maine)
- Elbe Hills ORV (Ashford, Wash.)
- Dexter Rail Riders (Dexter, Maine)
- Doe Mountain Recreation Authority (Mountain City, Tenn.)

Spring 2022 grant recipient, Trail Mix Inc., is partnering with the Juneau Off-Road Association to develop an ORV park and will put the funds received to support these efforts. Focused on creating new areas for individual and families to recreate, this new ORV park will feature loop trails, a mud bog, children's area, and open riding.

"With the support of Polaris, we are creating design plans for the first ORV Park in Juneau, in partnership with Trail Mix, Inc.," said Darrin Crapo, president of the Juneau Off-Road Association. "Currently, we have very few places to ride, so this ORV park will be a game-changer for our community, a place where we can share our love of riding with even more people."

Since its inception in 2006, Polaris' T.R.A.I.L.S. Grant Program has provided funding to national, state and local organizations in the United States to help support the future of snowmobiling and off-road riding. The T.R.A.I.L.S. Grant Program focuses on two main objectives: promoting safe and responsible riding and supporting trail preservation and access. Organizations may use funds from the grant to increase and maintain land access through trail development, maintenance projects, safety and education initiatives and other projects.

To date, the program has supported 335 ATV, off-road and snowmobiling organizations across 45 states with more than \$3 million in grants. Visit the **T.R.A.I.L.S. Grant Program website** for more information and to apply for a future grant.
